

Uniform

We are a child-centred school with an emphasis on encouraging the individual to flourish. It is for that reason we allow children to choose what they wear and express themselves. Being comfortable helps children to relax, feel happy and enjoy more fully the learning process.

They should wear practical clothes in which they feel comfortable. Clothing with large designer logos and slogans, unsuitable footwear and jewellery are not allowed. Given the amount of outdoor and practical work our children will be engaging in we would recommend a change of clothing is left at school.

However, for some trips and outdoor pursuits where children will be in public places they must wear Beech Lodge branded sweatshirts and jackets for safety and identification purposes (details to be confirmed).

For sports activities children should wear a plain tracksuit, T shirt and trainers.

Comfortable indoor shoes, wellies and sturdy walking shoes are essential.
