

VACANCY DETAILS

Deputy Head Teacher **Required for September 2017**

About Us

Beech Lodge School is a small, independent, alternative day school in Berkshire for pupils aged 7-17, who may have been failed by mainstream education and have needs that are difficult to meet in a conventional school setting.

Beech Lodge is a very special and different kind of place to work in. We empower staff to find their voice and their creativity. We offer collaboration and learning across ages and subjects. We believe strongly in developing the full potential of all staff.

You will be joining an inspirational community of teachers who think deeply about both what they teach and how they teach it.

Graded 'Good' by Ofsted in 2014, we offer an innovative and nurturing approach to education. Our individually tailored learning environment enables our pupils to build self-confidence, learn social and life skills and develop the tools to achieve their greatest potential. Our pupils require small class sizes, specialist teaching and access to therapeutic interventions, such as Speech and Language, Occupational or Play Therapy. We believe that a practical approach to learning, embracing outdoor education, and the formation of positive relationships within the school community are key to unlocking pupils' potential.

We fondly refer to a typical Beech Lodge child as a 'square peg' in the round hole of mainstream education. We are proud to give our children the 'square hole' in which to truly fit.

Vacancy Details

You will be an outstanding teacher, have Secondary School leadership experience and be committed to children with additional needs. Above all, you will want the very best for all pupils and be prepared to put their needs first. You recognise the importance of educating the whole child and making their educational journey stimulating, successful and challenging.

Since its opening in 2013, the success of Beech Lodge School has led to its rapid growth. You will play a leading role in its ongoing development as we accept more pupils and expand

into much larger premises at our new site at Stubbings in Maidenhead. This is a unique and exciting opportunity to work in a rewarding environment with inspirational colleagues, supportive management and regular opportunities for professional development.

Further Information

Up to date information including policies and procedures may be found on our website, **www.beechlodgeschool.co.uk**

Should you wish to discuss any of the detail contained within this document or to arrange a visit to the school please contact Sue Smith, Administrator on 01628 879384
