Special Needs and Disabilities

The School welcomes all applicants irrespective of any learning needs and/or disabilities. However, its facilities (physical and otherwise) for pupils with significant learning difficulties and/or physical disabilities are currently limited. The School will do all that is reasonable to comply with the Equality Act 2010 so that the School may accommodate the needs of disabled applicants for which, with reasonable adjustments, the School can cater adequately.

The School will do all that is reasonable to ensure the application procedure (and any information about the School) is accessible for disabled applicants and will make such reasonable adjustments as necessary.

Parents must inform the School when submitting a Registration Form of any special circumstances relating to their child which may affect their child's performance in the admissions process and ability to fully participate in the education provided by the School.

Parents of disabled children may be invited to a preliminary meeting with the Head to discuss ways in which any disadvantages could be lessened or eliminated from the admissions process and to ensure that the applicant can be adequately catered for should an offer of a place be made.

Beech Lodge School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

The School may request further information, such as a medical certificate or educational psychologist's report, and any associated correspondence from the pupil's current school that the School considers necessary to make a fair assessment.

If, after reasonable adjustments have been considered, the School is unable to adequately cater for the needs of those children with disabilities, parents will be informed why an offer will not be made.

If an applicant's disability becomes apparent after admission, the School will consult with parents about what reasonable adjustments, if any, can be made in order to allow the child to continue at the School. If, after reasonable adjustments have been considered, the School is unable to adequately cater for and meet the needs of the pupil, the Head may request parents to withdraw their child. Fees in lieu will not be payable in these circumstances and the Acceptance Deposit will be returned.

Bursaries

Means-tested Bursaries are available which represent a discount of up to 25% of the school fees. Bursaries are offered for pupils whose parents have limited means. Any award of a Bursary is subject to an evaluation and annual review by the Proprietor and may be varied upwards or downwards depending on individual parents' circumstances. Every award of a Bursary is at the discretion of the Proprietor.
